# BUILD AUTHENTIC LIVE LOCAL

Our goal is simple: to be a meaningful part of the communities we build in. We want to design homes that make sense for their surroundings—and to do that, we need to understand the local context. In order to truly experience a place, we look to the land, its history and natural beauty. We tap into the authentic spirit of the community by really becoming a part of it. When we forge connections with the local businesses and grassroots organizations that shape these places, we shift our perspective to one of respect—for the land we build on, the people we build with and the neighbourhoods we build in.

This is the foundation for every Infinity home.

# THE VALLEY'S CENTRAL HUB

Welcome to the Rail District: a master-planned community blending urban excitement with laid-back Valley living. Located in Abbotsford's Historic Downtown, the Rail District is steeped in rich local history and situated in a close-knit network of small businesses, restaurants and cultural experiences.

# THE RAIL DISTRICT

# CHARACTER BUILDINGS DESIGNED FOR URBAN LIFE

Centred in the heart of The Rail District, these character buildings will keep you connected to a vibrant urban lifestyle. Heritage inspired architecture celebrates the Old Clayburn brick making traditions that influence the character alive and well in The Rail District.

# A PRIVATE ENCLAVE

In addition to the many amenities available in the Rail District, The Mason features a beautifully designed west facing courtyard that gives the building a private outdoor experience.

Connected to the covered dining area, is an indoor coworking lounge space designed to enhance community and personal well being.

Renderings and Site Plans are an artist's interpretation only; the Developer reserves the right to modify the information contained herein without notice. E&O.E.

The interiors at The Mason are warm and refined. The natural materials are celebrated through a distinct modern minimalism that creates the perfect canvas for your urban home.

# FEATURES & FINISHES
